Second Quarter 2010

The quarterly newsletter of the Missouri Jaycees

Message from State President

PAUL MYERS

The sky is the limit so let's reach for the stars

Many people have overcome major life obstacles where others seem helpless to move forward even when handed the world on a plate. Have you ever wondered what separates each of us in this way? I can tell you it is our goals, attitude and our focus.

We all need to be setting goals for everything we do in life. It is these goals that then shape the road we take. When you set your goals, many will tell you to be realistic. I will tell you not to. By making your goals "realistic," you are setting up walls for how much you can or cannot achieve.

Along the same lines as the famous quote from the movie Field of Dreams, "build it and they will come," dream it and it will happen. You need to envision where you want to be and then all you are lacking is the focus and determination to get there.

Too often we limit ourselves in setting up things we "can't" do as opposed to focusing on what we want. We are now halfway through the year. Are you on the road that you want to be on? If not, don't wait any longer. Too often we wait until that magical Jan. 1st to set our resolutions for the new year. The thing is, our goals and aspirations change as we evolve as individuals. Our goals need to be evaluated and measured to see if we are heading in the direction we want to be going. If not, make the change now, don't wait.

Is your chapter heading where you want it to head? Now is the time to look at your chapter plan and reevaluate what goals you have and what you need to do to get there. Whether it is a project to complete, a dollar amount to raise, or a membership goal to hit. Look at those goals and re-focus on what it will take to get there.

Remember no matter what the goal is, focus and determination is the only thing you are lacking. Look back in our history and at your communities and you can see the amazing things the Jaycees have ac-

complished. Some of them are so impressive it boggles the mind how we got them done when we did. They set a goal and had the focus and determination to see it through. Now it is our time. What legacy will we leave that our future generations will look back at in amazement?

Paul Myers
2010 State President

Wonderland Camp Work Weekends

By Melanie Wetter

Wonderland Camp program manager

Missouri Jaycees, thank you all for such a fabulous start of the year for Wonderland Camp! This year we have raised \$12,112 for the Camp! We did a big push for wish list items and brought in \$8,346.74 in items! This is because of all of YOU! If you were in Macon, you were there for the awards I gave out to the chapters that have supported the camp so far this year. Thank you to all of those chapters!

Now on to the work weekends. All I can say is THANK YOU! We had a huge turnout at both work weekends! It was great to see so many people helping to get the camp ready to open for the summer. It was also great to have so many chapters in attendance, and some that have not been to the camp in years! As you all know, this is a big job and we could not do it without the help from everyone!

If you were at the meeting in Macon, you saw the slideshow, and can I just tell you how happy it made me how full the slideshow was of the I "heart" WC gear! Thank you all for your support of these items, and remember I still have them! I know you do not want to be the only one without the cool gear, so order yours today. You can call me 314-494-6421 or email me mwetter113@gmail.com and I will even mail them if I will not be in your area soon. I also have Missouri Jaycees window clings for sale for \$5 and all that money goes to Camp! You might want to get the cling and get it on your car because at the September state meeting there will be a special drawing for those with the MO Jaycees stickers on their car!

I have thoroughly enjoyed traveling around to your projects all over the state and trying as well as seeing new things!

Please mark your calendars for many exciting things that will be going on in October:

Oct. 2 is the 40th anniversary celebration at the Camp. It will begin at noon with tours of the camp which will go until 4 p.m. Kids are welcome, but they are asking for no children after 4 p.m.

Oct. 8-10 is Corp Work weekend. Please stay tuned for more details. Thank you to the Show Me Corp who will be providing our meals that weekend!

Oct. 15-17 is All Region Work weekend. Stay tuned for more details on that as well. Let's see which region has the most people in attendance that weekend! Thank you to Northland who will be providing our meals that weekend!

As you all know, Camp is in full swing. I highly recommend taking a trip down when there are campers there to see what an impact the Missouri Jaycees truly have on the Camp! I promise it is not an experience you will soon forget. If you are planning to take a trip down there please contact Marcella first to let her know you are coming. You can reach her at 573-864-5593.

I would also like to send out a shout out to my assistant Matt Smith. I could not ask for a better assistant! He has been doing most of my traveling with me and I am so grateful to not have to travel alone and I'll be honest that I have someone to help carry all that stuff I tote around everywhere! Plus, who else would go to all these places AND sing "She Blinded Me With Science." Thanks so much Matt, you ROCK!

I look forward to seeing you all in my travels. Please remember to let me know about any projects you have planned for the camp or a project you need help at. I will try my best to make it to the events but my calendar is pretty full, if I can arrange things to make it work, I will!

Top 12 things we learned at the National Convention in New Orleans

By Allison Redel, Region 9 Director and Amanda Lueckenhoff, Region 9 District Director

12. Don't forget to pack rice and newspaper! They will help dry out electronics and shoes.
11. It can go from nothing to torrential downpour in 5 seconds.
10. Trolley Cars come often, but not at 2 a.m.!
9. Wear tennis shoes on Bourbon St.!
8. For \$1 more, you can get a much better show!
7. Get all information before parking a car!
6. Serve Jerry's food first!
5. Watch where you step!
4. Buy your trolley pass at the grocery store, but don't eat the food!
3. The show is always better from the balcony!
2. Go to the Big Easy to get your free shot with your drink!
1. Don't skip out on training, karma is a witch!

Above: At Wonderland Camp, even the kids had to pitch in and work.

What's up in St. Peters

By Jill Pavlik
St. Peters 2010 President, Region 5

Strut Your Mutt

St. Peters held our second annual Strut Your Mutt dog show on May 23. What a success it was! We raised even more money than we did last year at the event! Several vendors came out to raise awareness of the Humane Society. The money is going to the St. Charles Humane Society, which is a no-kill shelter. A big thanks goes out to the Humane Society themselves, who supplied the judges again this year, all the vendors, all the people who strutted their mutts, our crew of workers, and of course to chairperson Stephanie Long and co-chair Greg Miller. This event is always entertaining and we hope to see you next year!

Left: Stephanie Long, Ben Prinster, Blake Buehrle, Tony Pellikaan, Greg Miller and Allison Buehrle at the Strut Your Mutt show.

Strassenfest

Hard to believe that soon it will again be time for Strassenfest. This festive weekend celebrating German heritage has been a long-standing tradition in St. Louis. After a one-year hiatus, it came back and moved to Chesterfield. The St. Peters chapter will be there this year during the weekend of Oct 1-3. We'll be selling roasted corn. Call us corny, but shucks...we have a blast doing this! So come on out to the festival this year right by Chesterfield Mall and join in the fun. Oh, and I do have to mention that we got first place in the decorations last year and we say to all other vendors for this year- "Bring it on!"

Adopt-A-Soldier

The St. Peters chapter will be gathering items to send to our Adopt-A-Soldier again this year. We are grateful for what they are doing so that we may be free. All items will be collected at our first meeting in August, if you would like to participate. Other heroes our chapter is appreciative of are the firefighters. Last September we held an Appreciation BBQ and social. This gave our members a chance to hang out with fellow Jaycees and either cook or deliver free meals to our community's firefighters. We will be having our appreciation BBQ again this September, you are welcome to join us.

Making a difference

By Trisha O'Cheltree

Region 5 Director

Greetings Missouri Jaycees from Region 5! I wanted to share with you a story that I came across this past week, so we as Missouri Jaycees can make a difference.

There once was a man who went to the ocean everyday to fish.

One day, as he walked along the beach he happened across a young man whom he observed repeatedly reaching down and tossing something in the ocean.

As a small crowd gathered he called out. "What are you doing?"

The young man paused, looked up and replied, "I'm throwing the starfish back into the ocean."

The man continued.

"Why are you throwing the starfish back into the ocean?"

The young man continued tossing starfish back into the ocean as he explained, "The sun is coming up and the tide is going out. If I don't throw the starfish back in, they'll die!"

"But young man, there are miles and miles of beach and starfish all along it. You can't possibly make a difference!"

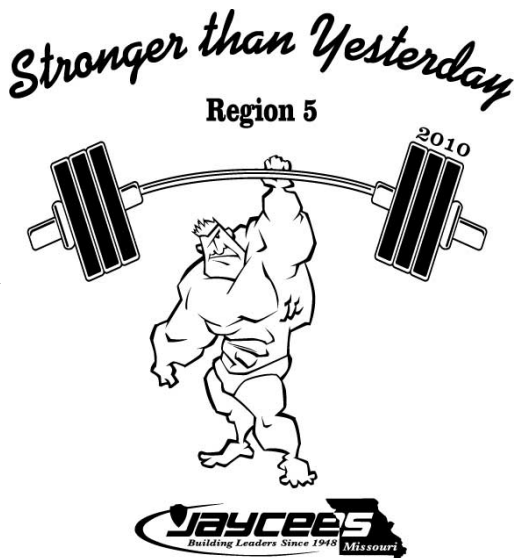

The young man listened, bent down, picked up another starfish and tossed it into the ocean past the breaking waves and said....

"...it made a difference to that one."

Missouri Jaycees, no effort is too small and no impact is too large! We do create a great impact, no matter how big the task. Please take the time to think about what this story means and how you can apply it to your own chapter. We need to really focus on helping our communities. By being visible in the community we have great opportunities to offer the Jaycee experience to people. I encourage each chapter to hold M-nights/days and get started making a difference!

Region 5 Jaycees...don't forget the challenges I gave you at the last Region Meeting for second trimester! If you need anything please let me know.

Right: St. Charles Jaycees at the Relay for Life in St. Charles.

Greetings from Region 2

By Junior Flax

Region 2 Director

Hello Missouri Jaycees. I am Junior Flax and I am the Region 2 Region Director. I thought I would just take a little time to let you know who I am and about my family. I live in Macon, and Macon Jaycees are my home chapter I have been a member since November 2006. Some of the stuff I have done in my home chapter: I have been on the Board of Directors, Community VP, and I have chaired the mud run two years (which is a project close to my heart). I have also chaired BBQ's and our 5th and 6th grade basketball tournaments. A few awards I have achieved are my U.S. Jaycees 25-Member Recruiter award and my local "Over the Top" award and I have worked on a couple extensions. I have been married for 18 years to Lori Flax, who is a Region 2 District Director. We have four awesome Jaycee kids: Kendra 16, Brittany 14, Daytona 5, and Justice 3.

What the Jaycees have done for me is it has given me a sense of belonging. The Jaycees have given me many opportunities to network across the state of Missouri and to some points across the nation. For those of you that know me, it also has showed me that not all clothing needs to be sleeveless. Thanks Jaycees for showing me I can wear a suit...LOL. Also, Jaycees have given me an extended family that is always there when I or my family needs them. I am honored to be a Missouri Jaycee.

Here are a few projects that the chapters in Region 2 have coming up. Mexico Jaycees have their Soybean Festival (it used to be called Agrifest). It is going on in downtown Mexico on July 10 from 12 p.m. to 8 or 9 p.m. Hannibal Jaycees have their annual National Tom Sawyer Days from July 1 to the 4. The Macon Jaycees have their Mud Run on Sept. 4. I have put out a challenge for the Mud Run. We are having a stock truck Jaycee class and if I get 15 Jaycee trucks to register, I will run the length of the pit in a dress. All monies for the registration will go to Wonderland Camp and the winner will get a trophy. So that is what Region 2 has coming up...come out and see up...thanks for all you do to keep the Missouri Jaycees strong.

Your Missouri Jaycees Foundation

By Tim Vincent

Vice President, Missouri Jaycees Foundation

Missouri Jaycees, it is with great pride I bring to you one of the hidden gems of the Jaycees – the Missouri Jaycees Foundation. The Foundation is the 501(c)(3) charitable corporation for your state organization. In addition, the Foundation is the owner of the State Service Center building in Jefferson City.

Now, let me go ahead and ask the question you might have on your mind: “Why do I care?” When I was in your shoes as a Jaycee, I used to ask that question as well until I received a better understanding of the Foundation and where it fit into the state and local organizations. So, bear with me for a moment while I attempt to show you how the Missouri Jaycees Foundation can be of direct benefit to your chapter.

Many times, chapters have individuals and companies that would like to contribute money toward great community efforts. Yet, there are times where their checkbooks might be a little more open if they were able to receive a tax benefit for their donation. This is where the Foundation can come into play. The money can be donated to the Missouri Jaycees Foundation, with a possible tax deduction available to the donor. Then, your chapter just needs to write a formal grant submission requesting the funds and explaining how they would be used to benefit the community. After this process, you have your chapter’s funds and your contributor has a tax deduction. It is a win-win situation.

In addition, there is a way to make the Missouri Jaycees Foundation truly YOUR Missouri Jaycees Foundation. Through our Fellowship Program, you have the opportunity to become a member of the Foundation. Just \$25 gets you started, with additional membership levels as donations grow. Check out additional information on the Missouri Jaycees web site.

If you have any questions about the Missouri Jaycees Foundation, feel free to contact any of the officers or trustees listed at <http://www.mojc.org/Directory/mofound.html>. Personal contact information can be found on the 2010 Chapters & Officers Directory at http://www.mojc.org/Directory/directory_printable.pdf.

Jaycees Release PHR Results

With cloudy skies as the backdrop, a group of Audrain County’s finest young ballplayers took the field May 1 at Optimist Park to compete in Major League Baseball’s Pitch, Hit and Run (PHR) competition hosted by the Mexico Jaycees. As the official skills competition of Major League Baseball the PHR gives local kids an opportunity to compete for a spot at the 2010 All-Star Game in Anaheim California. Josh Hanley of the Mexico Jaycees and the local PHR coordinator said “the improvements made this past year to the field and the loan of equipment from the Optimist helped make this event a success. We are always looking for ways to better our community and this event is just one example of the Jaycees commitment to Mexico and Audrain County.”

Local standouts with impressive individual performances were Dylan Paton, Matthew Huffman, Collin Clay and Blayne Wieberg. The All-Around Champions for their respective age groups were Tyler Spargo and Thomas Clay both of Mexico. For the first time girls were allowed to compete in a Softball division with honors going to Farber’s Jayda Borgmeyer. The three Champions have been invited to compete at the Sectional Competition in Jefferson City on May 15th. If they win there they will advance to the Team Championship at Busch Stadium and receive a PHR Hat, T-shirt, Award, and Two tickets to the Cardinals Game.

The Jaycees are a civic organization for young adults 21-41 years of age. Membership meetings are at 7:00 PM the 2nd and 4th Wednesday of each month. Summer meetings are held under the Jaycee Pavilion (behind the Audrain Historical Society) weather permitting and perspective members are always welcome. For membership information contact Josh Hanley at 253-1966.

A JCI Senatorship: An Honor that Keeps on Giving

By Tim Vincent

37th President, Missouri JCI Senate

I can still remember that memorable Saturday night at Lodge of the Four Seasons in January, 1995. It was a surprising evening, even though I knew (or so I thought) every item that was to take place at the state meeting banquet. As State President, it was my job to know what was going to occur and when. Then, it happened; the West St. Louis County Jaycees presented JCI Senatorship #54021 to my wife, Lori, and #54020 to me. It was a night I will never forget.

Every JCI Senator can tell a similar story about how honored they were when they received their Senatorship. It is truly a humbling experience. Most Jaycees and alumni know that a JCI Senatorship is the highest award that can be presented to a Jaycee by the local chapter. Yet, I have always considered this honor to be the Jaycee version of a lifetime achievement award, so it really carries special significance to each recipient and chapter.

Many chapters have members, or former members, who have given their all during their time in the organization. These Jaycees would go out of their way to make things happen, even when the task was not convenient. He or she served as a leader, both in title and behind the scenes. Yea, you know who I am talking about. Why not honor that great Jaycee with a lifetime achievement award, a JCI Senatorship? The application can be found on the Missouri Jaycees web site at <http://www.mojc.org/Forms/MO%20Senate%20Application.pdf>.

Things don't stop there. JCI Senators often don't just go away, but they become re-energized to help the Jaycees even more. Through our Return the Favor program, Senators of all ages give back to the organization that meant so much to us. All you have to do is ask for help. We can provide training, guidance, manpower, mentoring, or just an ear to hear you blow off some steam. Whatever you and your chapter needs, we can help. The key is to ask.

If you have any questions about the Missouri JCI Senate, have a chapter member you feel is deserving of this honor, or need assistance from the Senate, feel free to contact any of the officers listed at <http://www.mojc.org/Directory/mosenate.html>. Personal contact information can be found on the 2010 Chapters & Officers Directory at http://www.mojc.org/Directory/directory_printable.pdf.

POC Winners

By Martha Stodden

POC Program Manager

Missouri Jaycees, the first trimester of 2010 has come to a close. The packing slips have been counted, the spreadsheet has been made up, and now we just need to recognize our winners.

I am so excited that we had 13 chapters from around the state submit their POC packets! Those of you that attended the State Meeting in Macon, already know who the winners are, but for those that missed, here is our Top Ten Lineup:

- | | | |
|--------------------------|------------------------|----------|
| • 1 st Place | St. Charles Jaycees | 3345 pts |
| • 2 nd Place | Jefferson City Jaycees | 2965 pts |
| • 3 rd Place | Macon Jaycees | 2950 pts |
| • 4 th Place | St. Peters Jaycees | 2735 pts |
| • 5 th Place | Mid County Jaycees | 1820 pts |
| • 6 th Place | Boonville Jaycees | 1745 pts |
| • 7 th Place | Monett Jaycees | 1230 pts |
| • 8 th Place | Sikeston Jaycees | 1010 pts |
| • 9 th Place | Northland Jaycees | 935 pts |
| • 10 th Place | Columbia Jaycees | 610 pts |

A special thank you to Sikeston and Monett for their POC submissions. They have not

participated in a while and we are happy to have them back. It also looks fantastic when the top ten places are full!

For those of you that did not submit POC for the 1st trimester don't give up! Points have

been added in for membership, LOTS, the Wonderland Work Weekend, and donations. This means you already have some points to add to your year end total. Just a reminder that you can make those packets smaller by adding poc@mojc.org to your newsletter distributions, agenda, CPGs, etc., so you don't have to mail all those items in.

I'm so proud of you all and I hope we have some more people start participating this

trimester! Great work Missouri Jaycees! If you need anything, don't hesitate to contact me!

Thank you Missouri Jaycees

What a ride in the Big Easy!

By Lorie Thompson

Missouri Jaycees ONTO New Orleans

Program Manager, Macon Jaycees

Well, the U.S. Jaycees National Convention in New Orleans is officially concluded. I want to extend a personal thank you to all of the Missouri Jaycees and Missouri JCI Senators who helped make our venture to Louisiana a successful one.

We had 27 delegates in attendance who participated in many of the opportunities available. I think that everyone had a great time experiencing both a national meeting and all the “cultural experiences” that the Big Easy had to offer.

Please ask for all the stories of TOYA, trainings, riding the streetcars, the Garden District, the French Market, the writings on the wall of the ONTO room and, oh yeah, there may be SOME memories of Bourbon Street!

At the year-end ceremony, several awards came Missouri’s way. Blue Chip awards were received by the Macon and Joplin chapters. Stephen Coffey received a 25 member recruiter award. St. Peters Jaycees received a Chapter Project of the Year award for “Strut Your Mutt.” The Missouri Jaycees received second place for top fundraising states for Relay for Life, and were credited with receiving \$23,577.

Thank you to those delegates who participated in the Missouri ONTO Hospitality Room. We hope that we provided the food, drink, company and place of refuge when you needed it. I also want to name a few people in particular who made the ONTO room possible. Thank you to Jackie Bax who solicited donations, donated the use of much cooking equipment, and donated both an entire weekend and many hours in New Orleans to packing, organizing and cooking. Thank you to Lewis Ash who provided much support, information, ideas, and many hours of cooking. Thank you to Junior and Lori Flax for their contribution of ideas, support, pricing expertise, cooking assistance, and transportation of a vanload of food and equipment to New Orleans.

Thank you to Trisha O’Cheltree who solicited beer donations and assisted in transportation of those donations to New Orleans. Thank you to Stephen Coffey and James Danley who assisted in the transportation of flags and coolers to New Orleans. Thank you to President Paul in his assistance with the pins. Thank you to Todd Aeschliman for your assistance in loading the vans late at night on Saturday. Thank you to Chris Dean for your help in making the ONTO shirts a reality. And thank you to all those who provided cookies for delegates to enjoy. I hope everyone had a wonderful time in New Orleans, and that those of you who did not get to attend will join us next year in Chicago!

The writing on the wall

On the walls of the ONTO hospitality room was a list of things said that made us laugh in New Orleans. Here are a few of them—some censoring was necessary!

- We got beetled on Beetle Street!
- y’all are happy natural.
- I’m always intrigued by the sober people around me when I’m drunk. Junior, you’re intriguing.
- Can I have a bite of your muffuletta?
- Ho69—bingo!
- Yours is so tight I can’t slide a piece of paper under it!
- It sucks the moisture out!
- I’m the queen of itty bitty weenies!
- If I lived here, I’d have to have a liver on standby!
- We have a different style of weenie for each day. But they do get plumper!
- Why are you blowing me?
- Your wife will be easy!
- It just feels good to shoot.
- I can’t do it, I don’t have a cherry.
- Sweetheart, 2 inches always makes a lot of difference!
- It sucks the moisture out!
- When you get it there bite down on it.
- You want to lick the Cheetos cheese off my fingers?
- If it sticks out, you can blow on it!
- One was the caboose and one was the engine.
- You can push my button!
- One hot weenie coming up...and it’s dripping!
- Midnight must be the magic hour. The boys are naked.
- Um, it would be loud and long and you can hear a pin drop in her.
- I think it’s time to keep your mouth shut!
- It needs to be bigger! -Why, you can’t handle the one you’ve got!
- It’s one time, I’m gonna tell you not to swallow.
- It’s a cross between a hush puppy and heaven.
- Hey sweet cheeks!
- Do you know where our home is? -Yeah, 13 hours from here.

LETTERS TO THE EDITOR

Got something on your mind? Just want to see your name in print? Send in your “letters to the editor” for publication in the next issue of the IMPACT! E-mail them to me, IMPACT editor Raymond Castile, at raycastile@aol.com. If you send them as attachments, please make sure they are a Microsoft Word .doc file. Please do not send .docx files. If you have a photo to go with your letter, send it as a separate jpg attachment. Deadline is Sept. 30. Thank you!

Are you ready for some Baseball?

By Mike Freeman

2010 Missouri Jaycees, Whisper Ride Program Manager

Greetings Missouri Jaycees,
After much anticipation and a shipment of the wrong tickets, we now have tickets available for Missouri Jaycees Day at Bush Stadium.

The game will be Monday, Sep. 13 at 7:15 p.m. The St. Louis Cardinals vs. the Chicago Cubs. This game is sure to be exciting, as it offers a very good opportunity for the Cardinals to be in the hunt for the playoffs, as well as a good chance for them to be clinching the National League Central Division around this time (or we hope so). This game will take place the Monday immediately following the Missouri Jaycees Fall State Meeting and Elections that is being hosted by the St. Charles Jaycees, so plan on spending an extra day and attending the game with us.

We will have tickets available at the Missouri Jaycees Spring State Meeting hosted by the Macon Jaycees in May, so bring your checkbook and get your tickets before their game.

We are working this game a little different this year, as they can be sold by any of our fundraising program managers to benefit their programs. The reason we are doing it this way is because the Whisper Ride is about awareness, yes fundraising is great, but we want our members and our communities to be aware of the health risk as well as the agencies that are looking for a cure, or helping make lives better for those suffering from the disease.

For each ticket sold, their program will receive \$10 and the Whisper Ride will receive \$4. So buy your tickets from the program manager of the cause you want to support. Currently Melanie Wetter and Paul Myers have tickets in their possession, you can contact the others and they can get tickets from me or you can contact me directly.

Our tickets are in the Outfield Terrace Reserved. We have seats in sections 432, 433, 434, 435 and 437. They are \$34 each paid by cash or check only.

We have until around Aug. 1 to sell 500 tickets, as the payment and any unsold tickets must be returned to the Cardinals by Aug. 11, so we will not have tickets available at the fall state meeting. Now is the time to get them, I would like to have all of the tickets sold by

July 10. Remember anyone can buy these tickets, they do not have to be a Jaycee. This is one of the most heated rivalries in baseball, and Cubs/Cardinals games are always a sellout game, even on a Monday, so they are sure to go fast.

The Whisper Ride this year will benefit the Alliance for Paired Donation. The APD matches one incompatible donor/recipient pair to another pair in the same situation, so that the donor of the first pair gives to the recipient of the second, and vice versa. In other words, the two pairs swap kidneys. APD has also pioneered a new way of using altruistic, or good Samaritan, donors, so that the transplants no longer have to be performed simultaneously. Non-simultaneous Extended Altruistic Donor Chains (NEAD Chains) allow donors to "pay it forward" after their loved one receives a transplant.

There are several videos on their website www.paireddonation.org that focus on their longest "good Samaritan" chain. This is a chain of 10 people who since 2007 have paid it forward from one man's random donation to a stranger, whose only condition was that the recipient of his kidney find someone who would donate a kidney to another stranger. The first recipient's husband gave a kidney to a stranger, and so on and so on. If you get a chance, watch the videos on the website.

Wouldn't it be great if the Missouri Jaycees could find one person who would start a chain by donating to a stranger? You always hear that the Jaycees can change lives, but what if we would not only change a life, but save a life? Talk about your service to humanity.

Mike Freeman

Whisper Ride Program Manager

SHOW ME, DON'T TELL ME
