## **A Message from President Tonya**

***"Success seems to be connected with action.  
Successful people keep moving.  
They make mistakes, but they don't quit."***  
~ Conrad Hilton

Missouri Jaycees - Are you taking action to ensure the future of your chapter? The success of our entire organization is a direct result of what you are doing on the local level. If you repeatedly use the same recruiting techniques and they are not working, you need to find a new way. Talk to others chapters, your District Director, Region Director or Vice President to discuss alternative methods of recruitment. We cannot just sit around waiting for new members to appear. The time is NOW...time to take action and build our organization so that we can do more to help our communities in years to come!

Congratulations to the Macon Jaycees chapter for taking action and completing the Kirksville extension in September and earning an incentive jacket! This is Macon's second new chapter extension this year and they are working on an internal extension for October! Other new chapter extensions that are in the works or have been discussed are Bolivar, Canton, Carthage, Concordia, Fayette, Montgomery City, Oak Grove, Poplar Bluff, Randolph County, St. Joseph, Sullivan and Warrensburg. If you know of any Jaycee-age people in these areas that we can contact, please forward their information to me ASAP.

At our Fall State Meeting held in September, your 2009 state officers were elected. Please join me in congratulating your 2009 President-Elect, James Danley, of Joplin. 2009 Vice President-Elects are Sandy Backes (Jefferson City), Stephen Coffey (Webb City), Cara Harms (Hannibal) and Paul Myers (St. Charles). Be sure to mark your calendars for Saturday, November 1st. We will have our 2009 State Planning Session and a General Membership Meeting at the State Service Center from 9:00 a.m. to 1:00 p.m. It is important for all chapters to attend this planning session and meeting to ensure the needs and wants of your chapter are heard. 2008 and 2009 State Team members are expected to attend.

The U.S. Jaycees elected their 2009 Team on September 27th in San Diego. Delegates from the Missouri Jaycees witnessed a contested election for President and the Vice President positions. The 2009 U.S. Jaycees President-Elect is John Weber of North Dakota. The 2009

U.S. Jaycees Vice President-Elects are Travis Alquist (MN), Joanie Cramer (NC), Bethany Huffman (TN), Brian Kavanaugh (NE), Crystal Ramsey (FL), Lester Stearns (SD), Patrick Tomiyasu (HI), and Pat Wallen (NY). We were told hotel rooms for the U.S. Jaycees Year End Meeting in Crystal City, FL are going fast. If you are planning to go, please make your reservations soon. Joe Jerkins still has some \$100 registrations at the State Service Center. What a deal!

Writer Oliver Wendell Holmes said "*It is not so much where we stand, as in what direction we are moving.*" Which direction is your chapter moving? It's time to take action to move this organization in the right direction. Let's Work Together and take action to ensure a bright future for our organization!

## *Support Our Troops® License Plates*

Missouri Jaycees - Let's Work Together to get the Support Our Troops® license plate issued in Missouri! Please submit applications and check (made payable to Support Our Troops) to the Missouri Jaycees State Service Center, 222 E. Dunklin, Ste. 100, Jefferson City, MO, 65101 no later than Monday, November 10th. We will then send all applications together to the Support Our Troops® organization. If one wishes to pay the \$40 fee online, please enclose a PayPal receipt with their application. Here is more information on the program:

Last month the Chairman of Support Our Troops®, Martin Boire, contacted me to ask the Missouri Jaycees for help in getting the Support Our Troops® license plate issued in Missouri. In order to start production, they need 200 pre-orders. The U.S. Jaycees are national partners with Support Our Troops®, so it makes sense they would ask for our help. The funds raised by the Missouri license plate will go toward supporting Missouri troops. I know our members and communities have shown tremendous support for our troops and I am confident we can meet the 200 application challenge by November 10th. Please note there are unlimited POC points offered for applications received by the State Service Center by October 31st.

Letter from Martin Boire, Support Our Troops®: Our state-authorized Support Our Troops! Vehicle license plates have been approved in some 26 states to date. The Support Our Troops! license plate was approved by the Missouri Legislature. When we have turned in 200 paid applications to the DOR, they will manufacture the plates, issue them to these first 200 people, and commence normal statewide sales. And then the plate will start doing some real good. It raises money to benefit the deployed troops and their families. So we need 200 patriots.

Kevin Alson of the National Jaycees has connected you and I up under the Cooperating Partnership agreement between our two groups. On behalf of the troops, we would be very grateful if you can help us complete this quickly for all our deployed neighbors by collecting the first 200 plate applications. The application and information is at <http://www.supportourtroops.org/missouri/index.html>. The 2-part carbon form 1716 is free and available in bundles of 100 at all tag offices. Jaycees members could carry the applications with

them to work, school, church, neighbors, gatherings, stock them in their workplaces and the like. Basically the Jaycees can run with this and get it done in any proper manner you think up.

We have also posted form 1716 as a PDF on the Missouri page of the SupportOurTroops.Org website. We will make a copy to submit with the original for these ones. People can also pay on the webpage if they want. All funds are escrowed in a special account because the state wants one certified check from SOT with the 200 applications.

All of the Support Our Troops! license plates around America bear the website address [www.SupportOurTroops.org](http://www.SupportOurTroops.org), as will the plates in Missouri, and eventually our advertisements for the plates in Missouri. If the Missouri Jaycees make this happen in short order for the troops and their families, we will give you large credit on the "Who Missouri page of [www.SupportOurTroops.org](http://www.SupportOurTroops.org), and place a graphic banner to your state Jaycee website there. When we turn in the 200 applications, we have the ability to do several statewide press releases to media announcing that the Missouri Jaycees accomplished this for the deployed troops and their families.

Support Our Troops® (SOT) Policy 05-3 revised 8-20-06, provides: "States. Funds generated from license plate sales within a state will follow its troops and be spent to benefit its troops and families. SOT accounts for all license plate revenue generated on a state by states basis. If a parent or spouse of a wounded soldier needs to be by his or her bedside at a military hospital out of state, or other similar circumstance, funds will be spent out of state for that purpose. Most of a state's servicemen and servicewomen and their families are located out of state and will need help where they are located." Plus, the plate funds go to Missouri Support Our Troops, Inc. ~ Martin Boire, Support Our Troops®

In accordance with Article VI of the Constitution of the Missouri Jaycees and Section 5 of the Bylaws of the Missouri Jaycees, this shall serve as notification that a meeting of the General Assembly will be held at 12:00 p.m. on Saturday, on November 1, 2008 at the State Service Center in Jefferson City, Missouri. Changes to the Constitution and/or Bylaws may be proposed and voted on at said meeting.

## **Vice President Sandy Backes**

Congratulations to Region 2 on taking home the Excitement Trophy! Next goal: Repeat!!! Thank you to all who put ads in the program. Again it was another successful program booklet. Please start selling ads for Winter Meeting's Program booklet. Remember, there will be double, maybe even triple the number of members that will see it. I will send out an email with the new ad prices, once I sit down with my fellow VP's and P and come up with a plan. However you can contact me with any questions.

Year end is approaching and Ann Kampeter wants to be busy. If you have not started yet, please start collecting your Parade of Chapter points. It is never too late to start. As with the

It is also time to send your articles and your pics to Bridgette for the IMPACT. She has worked hard on trying to re-create it. So she needs your help in filling it. The next deadline is just around the corner . . . October 15th.

Thank you for your support so far in 2008 and for giving me the opportunity to continue to serve you as Vice President in 2009. If you have ideas or suggestions, please send them to me. I would like to hear from you.

Last but not least, keep sending me your calendar of events. Even if you have events for 2009, send them to me. I can add them, so in January, even if I am not the person taking on the calendar, then it will be started and not re-inventing the wheel. PS - start sending in GPS locations. It helps us find you, especially when we are traveling from event to event.

Everyone Travel Safe, Invest wisely and get informed so you can VOTE for the best Presidential candidate. And I hope to see you at one or both of the Wonderland Camp work weekends. Let's Work Together!!!

## **Vice President James Danley**

Congratulations Missouri Jaycees on getting to growth in September. I will never get tired of saying Congratulations to you so please keep the ball rolling and aim high in October as well. I would like to offer a membership incentive to you for the month of October. I will give two free registrations to Winter Meeting in January at Tan Tar A to the first two chapters who turn in an internal or external extension in October. Make sure you let Joe Jerkins, Tonya Benton, and I know as soon as you turn in the extension information.

This time of year is one of the best times to grow our chapters. There is a lot of activity in our communities during the holiday season which means there is ample opportunity to conduct projects and recruit for our chapters. Please communicate chapter events to Sandy and the rest of the state team so we can be sure to plan on attending. As always, let us know whatever it is that we can do to help make your chapters stronger and successful in 2008. We have several trainers across the state who are practically begging for training hours so please let Paul Myers know if your chapter needs training. There is still time to make an Impact in 2008 so make sure you are giving it all you have to make your mark this year.

I want to thank those of you who were present in Kansas City a few weeks ago and elected me to serve as the 88th President of the Missouri Jaycees. I am excited about what we can accomplish the remainder of this year and all throughout next year. We are already planning exciting things for 2009 so I hope that each of you plan on attending our year end celebration at Tan-Tar-A in January. It will definitely be a meeting you do not want to miss. Thanks again and LET'S WORK TOGETHER to finish the year strong.

## Vice President Paul Myers

Hey all! We have had tons of training opportunities here in the last month with the State, National, and Dixie meetings. I just wanted to send out thanks to all of those that attended each of these meetings and took advantage of the trainings that were available.

Secondly, I am pleased to announce that James Danley and I both went thru JCI Designer at the national meeting, and are now both Certified National Trainers. I also had the opportunity to go thru JCI Head Trainer and have been certified as a head trainer on JCI Presenter. I was then asked to be one of the trainers of JCI Presenter at the National meeting in San Diego.

It has been an incredible honor to serve as a Missouri Vice President but also as a JCI Trainer. If you are interested in becoming a trainer or improving your training skills call me so we can talk about all the opportunities there are for you out there.

Holly Kosick and I have been developing a training called Design Your Future. It is on building your own vision and mission statements. We will be doing this training at JCI headquarters in Chesterfield on October 28th at 7pm. Please come out and take advantage of this training and start developing your own roadmap to success.

See you on the road!

## Vice President Lorie Thompson

ARE YOU PROUD OF YOUR COUNTRY? I know that many of us are sick of hearing on the TV and in the mail about what's going to happen to our country with all of the political ads. But most of us are very proud of the hard work, dedication and sacrifice that our troops have given to our country. As a Missouri citizen, you now have the opportunity to show your support. As a Missouri Jaycee, you have the chance to help other Missouri citizens show their support as well.

The national Support Our Troops program has made it possible for Missouri to purchase Support Our Troops license plates. We have until the end of October to sell 200 plates in order to get these plates into production. They are personalized plates and are \$40 per plate. If you want more details, refer to President Tonya's article. If you take this challenge and sell these plates, turn in all of the information to myself. Let's step out and show our pride in the USA!

I look forward to seeing all of you in travels this month!

## Wonderland Camp

Greetings and salutations my fellow Missouri Jaycees. I am back in Missouri from our USJC national convention. WOW! What an experience! If you have never been to a national convention or have not been in awhile, you really must get out to one soon. Our next one is in Florida in March. May I say that again? FLORIDA! In MARCH! HELLO! Need I say more?

Missouri Jaycees, we are in the final stretch just three short months to go in 2008. So here is the deal -- Wonderland Camp has done some really amazing things this year, from the tree house to the expansion on our education center. Now we are beginning the update on our pool area. All of this happens because you all believe! Each and every one of you believes in this organization, you believe in our state and you believe in each other!

It is in this time, these final three months that we can make a lasting IMPACT that will go down in our history books. I know that by this time of the year some people may be feeling tired and run down a bit from all the great accomplishments and success's you have had. I urge you to look at these things not as burdens to wear you down or leave you feeling BURNTOUT, but rather look for the positive energy that lies within everything you all do as members of this great organization.

We recently had our state elections and you all came out and showed the world the power of democracy. That we are free, free to voice our opinion and free to choose who we want to lead us moving forward. Missouri Jaycees, I can assure you all that just having that privilege is a most phenomenal opportunity. There are many in the world who will never know that kind of freedom. On that note, I have had the most amazing time serving you as your program manager for Wonderland Camp in 2008 and I look forward to serving as your State Vice President in 2009.

Keep our eyes on the prize! Missouri Jaycees, we are in a deficit not unlike that which our country is facing. You see our membership is down for the year and that my friends is a very scary thing. I have been out on the national level and not only have heard but have seen first hand what declining membership is doing to our organization. It has to stop or we will all lose something that

is near and dear to our hearts. I cannot imagine a world where the Jaycees do not exist. More so I cannot imagine the state of Missouri, the birthplace of the Jaycees, without us.

My friends, we really need to turn this situation around and we all need to work together as friends and as a TEAM and that does not mean the state exec team ... that means all of us! We are all on the same team despite titles and elected or appointed positions. We are all responsible for turning our membership around. Nothing in life is impossible so let's strive to be the example of leadership this country has come to expect from the Missouri Jaycees.

I want you all to know I will do everything and anything you need to help get us to growth for the year and get this engine FIRED UP for 2009. I know what you are all capable of and I am anxious to see us put it into action.

In closing, I want you all to remember that the work weekends are coming up. The weekend of October 10-12 is our Corp work weekend so please come out and support the Missouri Muleskinners and the Show Me Corp. The following weekend of October 17-19 is the all region work weekend so bring your friends, bring your family and come one come all to the greatest weekend of all. We will have ladder golf on Saturday and there is a poker fundraiser at a local Rocky Mount establishment.

A special thank you on behalf of everyone to the Greater Northland Jaycees for preparing our meals for the all region weekend. Also, this is a shout out for help. Amy Munoz needs some help with the cooking as they have a member overseas for work and another with ailing family members. No cooking skills are required as we will train you on the job! Sounds like fun to me, how about you? We are not asking people to slave away for hours in the kitchen but if we all chip in a few minutes of our time throughout the days then it will be easy on everyone. I look forward to seeing all of you very soon.
