OUTSTANDING YOUNG MISSOURIAN NOMINATION FORM GUIDELINES

The follow guidelines and information are provided to help the applicant complete their Outstanding Young Missourian Nomination Form.

1. The application must be in typed format. The rules and instructions contained in this nomination form must be followed completely or the nomination will be automatically rejected.
2. Page 2 contains questions 1 through 5. Complete your answers to the five questions on no more than three 8.5" x 11" white sheets of paper (front side only) in a typed format. The allotted pages must have top, bottom and side margins of no less than $\frac{3}{4}$ of an inch. Do not use less than an 11 point font. Indicate the nominee's full name centered at the top of each page. Space used may vary for answering each question. Indicate by number where each answer begins. Single-spaced typewritten answers are preferred with a double space between paragraphs.
3. Respond to each question completely. Avoid using "does not apply" because everything applies. Don't feel that you must use all of the space provided, but make sure you cover all of the key points. Covering 4-6 key items fully is better than trying to cover 10-12 items and not explaining them fully and not doing them justice.
4. Your completed application is the only information the judges use for ranking. This is not a time to be humble. If possible, have a third-party critique your application before you submit it. You want to be certain that you have included your activities and achievements that exemplify you as one of our state's outstanding young leaders.
5. Where appropriate, quantify your responses. State facts and numbers wherever possible.
